

Harmony in the Human Being

**Understanding Human
being as Coexistence of
Self (I) & Body**

Self-exploration, Self-investigation

1. Content of Self Exploration:

a. Desire (चाहना) - Aim, Purpose

– Happiness, Prosperity → Continuity

b. Program (करना) – Process of achieving the desire, action

Happiness = To be in Harmony

↓
To understand Harmony & to live in harmony at all 4 levels:

1. Harmony in the Human Being

2. Harmony in the Family
3. Harmony in the Society
4. Harmony in Nature/Existence

2. Process of Self Exploration

Self-verification

Whatever is said is a **Proposal** (Do not accept it to be true)
Verify it on your own right

Check your assumptions about Human Being

Harmony with the Body

Self (I)

I am

I want to live

I want to live with continuous happiness

To understand & to live in harmony (at all 4 levels of my being) is my program for continuous happiness

I am the seer, doer, enjoyer

Body

My body is

Body is used as an instrument of the self (I)

Physical facility is required for nurturing, protection and right utilization of the body

Production, protection & right utilisation of physical facility is only one part of my program

Body is an instrument

Sum Up

Human being is a co-existence of Self (I) and Body

Self (I) is consciousness. Its needs are feelings in consciousness (like happiness) and these needs are fulfilled by activity of consciousness, i.e. Right Understanding & Right Feelings

Body is material. Its needs are material (like food) and these needs are fulfilled by material, i.e. Physio chemical things

The needs of consciousness can not be fulfilled by material

The needs of material can not be fulfilled by consciousness alone

The recognition & fulfillment of the body is definite

The recognition & fulfillment in the self (I) is on the basis of knowing, assuming

- If the assumption is based on knowing, the assumption is right and the recognition & fulfillment is correct → definite conduct
- If the assumption is without knowing, the assumption may or may not be right , so the recognition & fulfillment is uncertain → indefinite conduct
