

Harmony in Nature

प्रकृति में व्यवस्था

Self-exploration, Self-investigation, Self-study

1. Content of Self Exploration:

a. Desire (चाहना) - Aim, Purpose

– Happiness, Prosperity → Continuity

b. Program (करना) – Process of achieving the desire, action

Happiness = To be in Harmony

To understand Harmony & to live in harmony at all 4 levels:

1. Harmony in the Human Being
2. Harmony in the Family
3. Harmony in the Society

4. Harmony in Nature/Existence

2. Process of Self Exploration

Self-verification

Whatever is said is a **Proposal** (Do not accept it to be true)
Verify it on your own right

Nature प्रकृति = Collection of Units इकाई समूह

4 Orders

Relationship of Mutual Fulfilment

Nature = Collection of Units = 4 Orders

Nature is Characterised by Mutual Fulfillment, Enrichment

Between Physical Order and Pranic Order

Nature is Characterised by Mutual Fulfillment, Enrichment

Between Physical Order, Pranic Order and Animal Order

Nature is Characterised by Mutual Fulfillment, Enrichment

Between Physical Order, Pranic Order, Animal Order
and Human Order?

With right understanding &
right feeling, human being can
also be mutually fulfilling for
the other 3 orders

Relationship of Mutual Fulfillment परस्पर पूरकता का संबंध

Mutual Fulfillment = Relatedness + Fulfillment

परस्पर पूरकता = परस्परता + पूरकता

Resource Depletion & Pollution

Resource Depletion – The resource is used at a rate which is faster than the rate at which it is produced in Nature

संसाधन अभाव – उत्पादन में प्रयुक्त संसाधन की गति, उसके प्रकृति में पैदा होने की गति से ज्यादा है

Pollution – The product is such that

1. It does not return to the cycle in Nature or
2. It is produced at a rate that is faster than the rate at which it can return to the cycle in Nature

प्रदूषण – उत्पादन ऐसा है कि

1. उत्पादित वस्तु चक्र में वापस नहीं आती या
2. उत्पादन की गति प्राकृतिक चक्र में वापस जाने की गति से ज्यादा है

Harmony in Nature प्रकृति में व्यवस्था

Natural Characteristic स्वभाव

Tendency of Human Living with Animal Consciousness

Wretchedness दीनता	The feeling I can not take care of my body, hence I resort to being dependent on the other
Cunningness हीनता	The feeling I can not take care of my body, hence I resort to beguiling the other
Cruelty क्रूरता	The feeling I can not take care of my body, hence I resort to forcefulness & violence

Natural Characteristic of Human Living with Human Consciousness

Perseverance धीरता	Being assured that the all-encompassing solution is to understand & to live in harmony at all 4 levels, I live with this commitment without any perturbation
Bravery वीरता	The commitment to help the other develop right understanding & to live accordingly
Generosity उदारता	Readiness to invest oneself, one's body & physical facility to help the other develop right understanding & to live accordingly

Harmony in Nature प्रकृति में व्यवस्था

Nature is organised in such a manner that the physical facility required for any order is available in abundance

Dependence of any order is on all previous orders

e.g. Animal order depends on plant order & physical order

Quantity of units

Physical >> Pranic >> Animal >> Human

Harmony in Nature प्रकृति में व्यवस्था

All orders have definite conduct except human order

In human being, the body has definite conduct

The Self (I) operating on assuming without knowing is the source of indefiniteness, problem

The solution is to ensure knowing

The natural acceptance is to know,
to be in harmony

With human education-sanskar
this can be ensured for all

Sum Up

- | | | | |
|-------------------|-----------------------|---|--|
| 1. Physical order | – soil, metals etc. | } | Nature = Collection of Units
= 4 Orders |
| 2. Pranic order | – trees, plants etc. | | |
| 3. Animal order | – animals, birds etc. | | |
| 4. Human order | – human beings | | |

There is a relationship of mutual fulfilment amongst these 4 orders. So far, the first 3 orders are mutually fulfilling for each other as well as for human beings

It is naturally acceptable to human beings to be fulfilling for all the orders. Human beings need to understand this mutual fulfilment; only with this understanding will human beings be able to live with mutual fulfilment

The role of Human Being is to realize this mutual fulfilment – For this, all that human beings need to do is:

1. To understand that mutual fulfilment is inherent in nature – we do not have to create it
2. To live accordingly – then the mutual fulfilment amongst the 4 orders will be realised (and there is provision in nature for living in a mutually fulfilling manner)

Home Work

1. What are your assumptions about nature?
2. How do you and your family contribute to / participate in maintaining the order in nature?
