Plan, program, implementation, results, evaluation

Character

Behaviour & work of a human being with human consciousness

1. Compassionate (dayapurn) behaviour & work
 - Mutually fulfilling behaviour with human being (Human friendly)
 - Mutually enriching work with rest of nature (Eco friendly)
2. Rightfully acquired wealth (swa-dhan)
3. swa-nari/swa-purush

Compassionate (dayapurn), taking the responsibility for filling the gaps created in ignorance; both in relationship with human being as well as in work with with rest of nature

Universal Human Order (Sarvbhaum Manaviya Vyavastha)

Human Education-sanskar

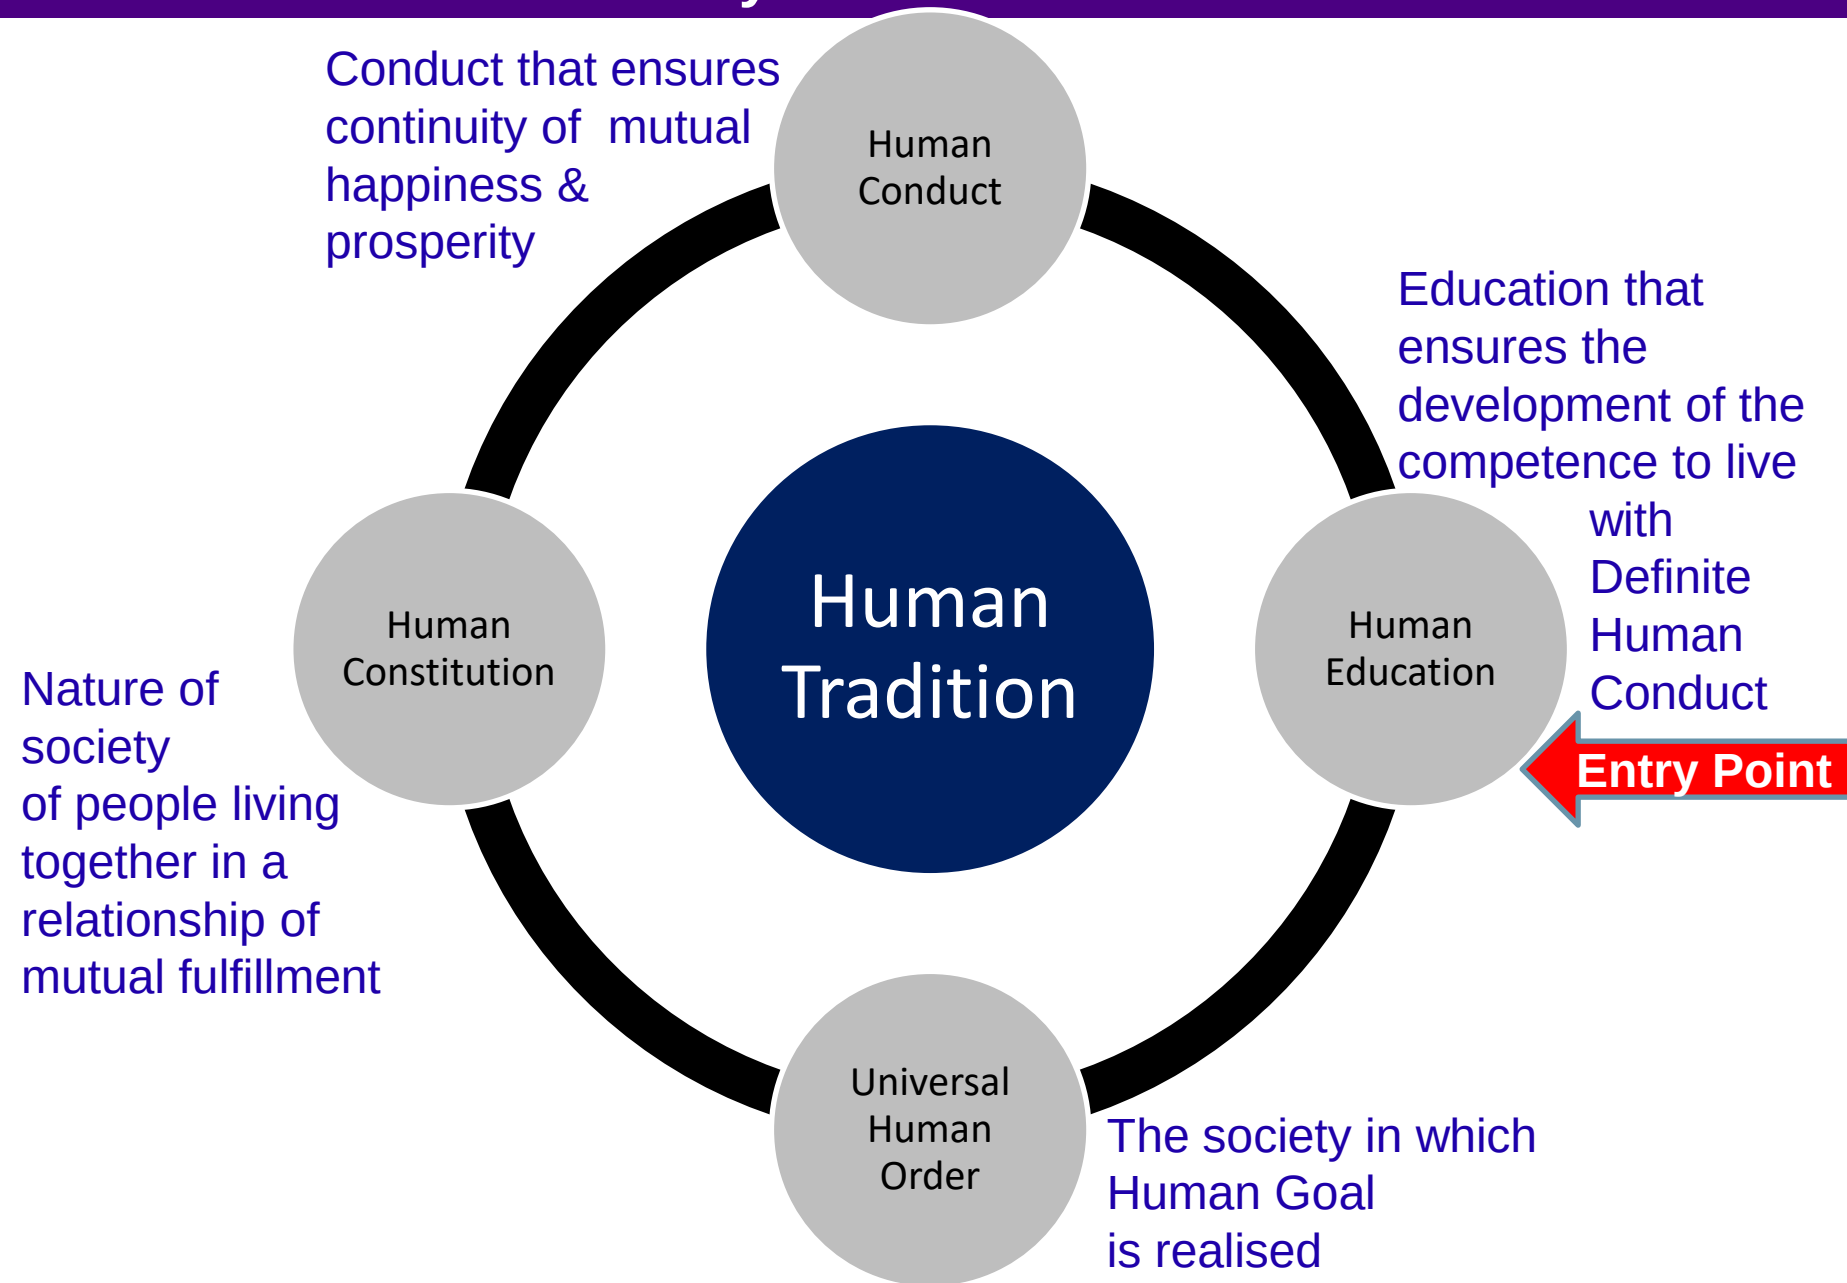

Human Constitution

Universal Human Order

Universal Human Order: Dynamics

Guidelines for Professional Ethics

Human Friendly Management Models: **Ensuring Justice**

→ Relationship & Order

Human Friendly & Eco Friendly Production Processes: **Avartansheel**

Production-Work

What to produce:

→ Required physical facilities

How to produce:

→ Avartansheel

Management:

→ Relationship & Order

Storage – Exchange

Why?:

→ with a feeling of relationship &

responsibility to participate in

Family,

Universal Human Order

Undivided

Domination (शासन)

Self Organization (संबंध, व्यवस्था)

Central control & decision making

Decentralized control & decision making

Top down (Each Unit is assumed to be irresponsible, has to be monitored and forced)

Self Organized (Each Unit is responsible, is in order and participates in the larger order)

Development is focused on physical facility.
Human Being is used as a resource

Holistic development is the purpose with development of Human Being at the center
